Dear Business Owner, Manager, Community Leader,

The COVID-19 pandemic has affected so many aspects of our lives in 2020. We know that you and your organization have also been affected, and we hope that you are managing as well as possible under the circumstances.

As an organizing committee, we have made the difficult decision to postpone the *2020 Vanderhoof International Airshow* until the summer of 2021, and we will endeavor to bring our next spectacular event to the Nechako Valley at that time.

We still wanted to find a way to reach out to our communities with hope and inspiration for these challenging times. If we are not able to bring people to the airshow, it is our plan to bring at least a small part of the airshow to the people of our districts and villages. To that end, we are working towards an alternate event we call “The Great Regional Air Hug” which will consist of an organized multi-aircraft flyover of our entire region! We will have aircraft of varying types and sizes, including some of our airshow performers, soaring through the valley overhead. A few adorning the sky with airshow smoke!

Our goal is to route the aircraft over Prince George, Vanderhoof, Fort St. James, Fort Fraser, and possibly even as far as Burns Lake, including the First Nations communities of Nak’azdli, Saik’uz, Nadleh Whut’en, and Stelat’en. We want to let our guests, community members and your staff, customers and their families know that we are still here, we are proud to be Northerners, we are resilient, and we will be back, better than ever.

We are inviting your participation in the “Great Regional Air Hug of 2020” in the form of a one-time \$500 donation. Your will be recognized as a partner of the Vanderhoof International Airshow with your logo on our website from the time of your donation, until at least January 2021. We also plan to livestream this event online, and your organization will be highlighted live by the commentator during the flyover. We will let people know that you are reaching out with us to bring some excitement, hope and inspiration to the residents of our region!
